SIZE DIFFERENCIATION

The minimum size at which the logo can be reproduced is at 30 mm. wide, to allow its readability but maximum can be infinite as long as safe space is maintained.

TYPOGRAPY

The corporate typeface used in the text “VENTOSO” of the logo is the ‘Semplicita Pro Bold’

The text for headings will be with ‘INDUSTRY INC’ and the sub text or the main body will be in the font ‘Jost’. For example:

HEADING

Lorem Ipsum is simply dummy text of the printing and typesetting industry. Lorem Ipsum has been the industry’s standard dummy text ever since the 1500s, when an unknown printer took a galley of type and scrambled it to make a type specimen book. It has survived not only five centuries, but also the leap into electronic typesetting, remaining essentially unchanged. It was popularised in the 1960s with the release of Letraset sheets containing Lorem Ipsum passages, and more recently with desktop publishing software like Aldus PageMaker including versions.

SAFE SPACE

To ensure optimal application and perception of the logo symbol in all supports and formats, it has a determined reserve area that sets a minimum distance regarding the texts and graphics elements, equivalent to the measure “x” which corresponds to the “≈” in the logo.
